

# BHS Class of 2016

October 2012

## Academic Happenings

The Green Technology Modern World History class recently wrote and performed "Enlightenment Skits" for an audience of teachers and administrators. The skits were written entirely by the students using Enlightenment philosophies applied to modern day issues. **John Carlo Arcagua and Michael Figurasin** did a great job directing their groups!

The Personal Finance classes are continuing their Real World research projects and preparing to be financially independent. Mr. Tanglao and Ms. Guttilla would like to recognize **Andres Reynoso, Hearly Moreta, Isabel De Leon, Angelica Paton, Charles Grullon** and **Milek Mootoo** for their standout efforts in class.

## Athletics

In Boys Soccer news, **Leo Sosa, Eric Flores and Michael Cardona** have done exceptionally well for the boys JV soccer team. They have been pushed up to the varsity team for the rest of the season and are gaining valuable experience for next year.

The freshmen girls' volleyball team just finished a very successful season with a record of 10-6. The team was lead by **Isabel DeLeon and Daniela Hoyos**. Through the team's hard work and dedication they continued to improve every week. The coaching staff is looking forward to them making an impact at the J.V. or varsity level next year.

The freshman cheerleaders are currently working very hard on their dance routine for their upcoming competition in November. The girls will be competing November 18th at FDU. Competition starts at 1pm and admission is \$10. Come out and support our girls!

## Guidance News

During the week of October 22, I met with all students during History classes to create their personal Infinite Campus and Naviance accounts. Every freshman now knows how to log on to both accounts and is encouraged to monitor their grades, attendance and behavior using Infinite Campus. On Naviance, all students email addresses were updated and the students completed a Freshman Welcome Survey. We will use Naviance again later this year to complete a career survey. This process is intended to start the students thinking about interests that may lead to career choices later.

## Peer Transitions

On **November 28<sup>th</sup> at 7pm**, the **Peer Transitions Project** will host **"Family Night"** We invite every freshman and their parents to attend this worthwhile event that focuses on improving communication between parents and teens.

**Upcoming dates:**

*Dana Massey, 9<sup>th</sup> Grade Counselor*  
201-385-8700 ext. 1372
