Schools-Parent/Guardian Involvement Policy

In order for our school to be successful, parent involvement is essential. The following activities and events are planned jointly between our supportive Parents' Association and the school faculty:

- Monthly Parents' Association meetings attended by building administrator(s)
- Monthly Leadership Team meetings to share information, concerns, curriculum, student assessment, and planned activities
- Parent workshops held with regard to Infinite Campus, Homeworkknow.com, etc.
- Annual Meeting for parents/guardians of students who did not receive proficient scores on the NJASK
- Parent/guardian supported assemblies, field trips, school dances
- Quarterly Parent/Teacher Conferences
- School newsletter
- Orientation for parents/guardians of students who are new to RWB
- Orientation Day for Grade 6 students
- Open House Night to learn about individual teachers' expectations and policies

Schools-Parent/Guardian Compact

At the beginning of each school year, each family receives our Student/Parent/Guardian Handbook which outlines all rules, regulations and school policies. It must be signed by both the student and the parent/guardian and returned to ensure that it was discussed at home.
