Signing into Clever

We utilize a website called Clever to help sign our students in automatically to various online resources utilized within the district. The following instructions will help you to access Clever from home.
Please retain the following information and practice signing in with your child to ensure familiarity with the system.

Clever recommends using the **Google Chrome web browser** for best experience. From Chrome, follow the steps below to get your student signed in:

1. Access our District Clever Log In Page by either of the following methods:
   a. Visit www.bergenfield.org and find Clever under Site Shortcuts.
   b. Type in www.bergenfield.org/clever to be automatically sent to our log in page.
2. Click "Log in with Google" as shown below. Do not choose any other log in method.

⊙   Use another account   ←

4. Enter the **student's @bergenfield.org** email address (ex. 123456@bergenfield.org), as presented on the first page of this letter, and click the blue "**Next**" button.

5. Enter the student's password that the district mailed home, and click the blue "**Next**" button. If you don't have your child's password, please contact your child's Principal or Teacher.

6. If you typed in the correct username and password, you should find yourself on the student's Clever portal. If this is the first time using Clever at home, you should see a message at the top that will direct you to install the Clever Chrome Extension.

Apps

Get the **Clever Chrome Extension** for one-click access to any program

| Active Classroom | Apex Learning | BrainPOP | BrainPOP ELL |

7. Please click that link to be brought to the Chrome Web Store page for Clever and click "**Add to Chome**."
