

INFINITE CAMPUS & GRADING

Quite a few students and parents are confused about their Physical Education grade and “unprepareds” on Infinite Campus. Please follow these steps to help clear up the confusion:

1. Go to the Infinite Campus portal
2. Click on "Schedule"
3. Click on "Physical Education"
4. Look at the "**Score**" column to find out your grade for the week (participation/sportsmanship category).
5. Look at the "**Score**" column to find out how many unprepareds you have.
6. If you have any unprepareds in the "**Score**" column YOU MUST (-10) POINTS FROM YOUR MARKING PERIOD AVERAGE FOR EACH UNPREPARED! (The computer program does not deduct these points and your current average is NOT reflective of any deductions due to an unprepareds or tardies).

*****DO NOT LOOK AT THE "POSS. PTS" COLUMN for your grade in PE*****
