What does it take to be in AP?

- **Character**

- Curiosity, creativity and commitment are key ingredients for success in AP courses.

- **Academic Preparation**

- You don't need to be top of your class to be an AP student, but you'll want to be prepared for the AP course you choose.

- **Motivation**

- You show your determination when you do the things that matter to you, and try harder when it's not the first time.

What are the rewards for being in AP?

- **Stand out in college admissions**
 - By making the decision to take an AP course, you're letting colleges and universities know that you're up for a challenge.
- **Earn college credits**
 - By making it through an AP course and scoring successfully on the related AP Exam, you can save on college expenses.
- **Skip introductory classes**
 - If you take an AP course and score well enough on it, you can place directly into more advanced classes, skipping certain ones entirely.
