Dear Student:

The Social Studies Department of the Bergenfield High School has already begun to make plans for a stimulating and challenging program for the 2023-2024 school year. A major emphasis of the curriculum is our commitment to making you lifelong readers and learners. With this in mind, as a student enrolled in Advanced Placement United States Government and Politics, you are required to participate in the Summer Reading Program. Your assignment is to complete the US Constitution Quest. This is due the first day of school. Prepare for a formal assessment on the second day of class.

The US Government and Politics course is designed to provide you with an opportunity to develop an informed and critical knowledge of American government and politics. You will study in-depth general concepts, ideals and beliefs associated with the American political system as well as case studies of how the system operates. In addition, we will be working together throughout the upcoming school year to prepare for the AP US Government and Politics Exam that will be administered in May 2024

Please join Remind now. Send text to 81010. Text this message @gopo2023.

I would like to take this opportunity to wish you and your family a healthy, and safe summer. I look forward to working with you.

Sincerely,

Mrs. Brunet
