

AP Psychology // Summer Assignment 2023

Ms. Brittney McNiff

bmcniff@bergenfield.org

Welcome to AP Psychology - I can't wait to meet you all in September! This course will be a challenge, but at the same time fun and rewarding as we will be learning all year why we function and act the way we do! We will dive into many aspects of psychology relative to human behavior through various approaches and psychological lenses.

For your summer assignment you are going to have the opportunity to listen to two Podcasts of your choice from *Hidden Brain*. Hidden Brain is a Podcast that "explores the unconscious patterns that drive human behavior and questions that lie in the heart of our complex and challenging world." This Podcast analyzes the brain and human behavior with over 400 episodes!

Directions:

On any podcast streaming platform (Apple Podcasts, Google Podcasts, Spotify, Amazon Music) search *Hidden Brain*.

Pick any 2 Hidden Brain Podcasts to listen to. Try to pick two that seem most interesting to you! Maybe the topic is one you are passionate about, or one you want to learn more about!

To access the assignment document, please join the *AP Psychology Summer Assignment* Google classroom. Please note the due date posted on the assignment on Google Classroom.

The class code is: **bywxfb3**

This assignment will be a 40 point quiz grade.

All late assignments will be graded with 70% maximum credit.

If you have any questions, feel free to email me and I will get back to you ASAP!

Enjoy your summer and make sure that you prioritize your self care during these few months off :)
